

THUNDER

Connection to your Weekend Escape

LED DRIVING LIGHTS

**PERFORMANCE AND
QUALITY AT A GREAT PRICE!**

The Thunder Difference

Thunder helps take you places you've never been before, making adventure more affordable and accessible for up and coming 4WD enthusiasts. Designed for the working adventurer, Thunder products have been tested and developed to handle anything you can throw at them without breaking the bank.

The growing range of lights, switches, gauges and charging equipment is taking Australia by storm and is the connection to your weekend escape.

Thunder Driving Lights

Constructed from a die cast (round) and an extruded aluminium (bar) housing with stainless steel mounting brackets and polycarbonate lenses, Thunder lights are built to last. Generating a spot beam from Cree LED's, the range suits 12-24 Volt applications and hold an IP67 rating against dust and water ingress. The white light output is within the 6,000K colour temperature range for clarity and to reduce eye strain and driver fatigue.

12 LED ROUND DRIVING LIGHT

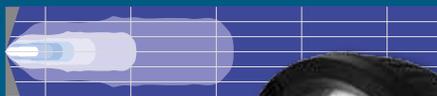

Part No. TDR08018

- 180mm diameter
- 12 x 5 Watt Cree LEDs
- 12-24 Volt
- 1.2m tinned cable

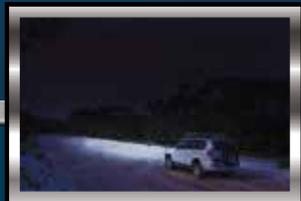

9 LED ROUND DRIVING LIGHT

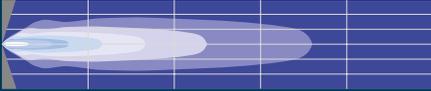

Part No. TDR08014

- 140mm diameter
- 9 x 5 Watt Cree LEDs
- 12-24 Volt
- 1.2m tinned cable

42 LED BAR DRIVING LIGHT

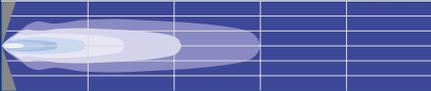

- 42 x 3 Watt Cree LEDs
- Light output: 9,800 Lumens
- 12-24 Volt
- Pre wired weather proof connector

Part No. TDR08224

- Twin mounting bracket
- Current draw: 8A @ 12V
- Dimensions: 612 x 115 x 77mm

36 LED BAR DRIVING LIGHT

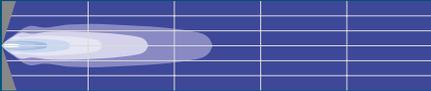

- 36 x 3 Watt Cree LEDs
- Light output: 8,400 Lumens
- 12-24 Volt
- Pre wired weather proof connector

Part No. TDR08140

- Single mounting bracket
- Current draw: 6A @ 12V
- Dimensions: 1,028 x 72 x 44mm

18 LED BAR DRIVING LIGHT

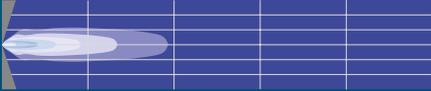

- 18 x 3 Watt Cree LEDs
- Light output: 4,200 Lumens
- 12-24 Volt
- Pre wired weather proof connector

Part No. TDR08120

- Single mounting bracket
- Current draw: 3A @ 12V
- Dimensions: 543 x 72 x 44mm

9 LED BAR DRIVING LIGHT

- 9 x 3 Watt Cree LEDs
- Light output: 2,000 Lumens
- 12-24 Volt
- Pre wired weather proof connector

Part No. TDR08112

- Single mounting bracket
- Current draw: 1.5A @ 12V
- Dimensions: 300 x 72 x 44mm

Product Information

Key Features

Cree LEDs

Efficient LED with low current draw and an expected life of over 50,000 hours. Powerful spot lighting with a white, 6,000K output.

IP67 protection rating

Designed to suit common Australian conditions, every light housing is totally protected against dust and protected against the effect of water immersion between 15cm and 1m.

Extruded aluminium housing

A tough alloy housing is built to last the elements and features a unique Thunder design on the bar driving light stainless steel brackets.

Polycarbonate lenses

Tough, shatterproof lenses protect the LED from stone damage while the clear construction helps ensure a clean, crisp light.

Specifications

Beam	Spot
LEDs	3W Cree (bar) 5W Cree (round)
Ingress protection	IP67
Voltage	12-24V
Colour temperature	6,000K
Construction	Extruded aluminium (bar) Die cast aluminium (round) Stainless steel brackets Polycarbonate lens
Wiring	1.2m tinned cable (round) Pre-wired weatherproof connector (bar)

With a range of affordable products for 4WD enthusiasts, Thunder truly is the connection to your weekend escape!
